Fractional Integrators for Companies Running on EOS®

We are experienced fractional Integrators, here to support you virtually and in-person, short-term or long-term, to help make your vision a reality. We support Visionaries, Integrators, entrepreneurs and business owners to ensure your success with integrating EOS® by supporting you with a world-class Integrator.

OUR CORE VALUES

WE TAKE OWNERSHIP: We do what we say we will do, we are present, we are accountable, we are dependable, and we practice ownership thinking.

WE PROVIDE VALUE: We are purpose driven and make sure we are always providing value to anyone we work with.

WE FOCUS ON GROWTH: Focused on growth personally, professionally, for you and for the team at Catalyst.

WHY CATALYST?

- Each FI is backed by an entire team of experienced Integrators.
- We custom tailor your journey and use proven methods.
- We are your dedicated partner to ensure your success.
- We lead from lived experience not just theory.

OUR RAVING FANS

"I interviewed several fractional integrators who I simply didn't feel would match the needs of my team until we found Catalyst."

-Dan Cassara, Visionary

"Our meetings no longer feel like a waste of time, not to mention we finally have buy-in from the entire leadership team."

-Gavin Harms, Integrator

"I'm a better employee thanks to the consistent and gentle reminders of how to not be just a manager, but a leader."

-Justin Suzuki, Team Leader

HOW WE ADD VALUE

- We are unbiased 3rd party professionals, actively working alongside other Visionaries and companies running on EOS to bring best practices.
- All Catalyst Fractional Integrators have previously led companies running on EOS.
- We have learned alongside of certified EOS Implementers to ensure purity.
- We are your dedicated partner and care for your business as if it was our own.
- We can support you as an interim Integrator while you focus on hiring the right fit full-time Integrator.
- We are plug and play. No orientation or on-boarding needed, so outcomes and results are achieved quicker. We have proven processes to align quickly and hit the ground running.
- We offer custom and "above and beyond" services that are included in our pricing that other FI's don't typically include.
- We have strategic partnerships and relationships with other professionals, trusted vendors, services, and software to bring you the best of the best out there and to get things moving faster.
- We save you the cost of additional expenses like benefits, health insurance, purchasing equipment or expensive computers.
